Covert Coats, Spring's Greatest Favorites.

The picture shows the essential style features of the newest models in covert coats, two lots of which are offered tomorrow at very special prices.

\$5 — \$10

The Coats specially priced at \$5.00 have the broad shoulder effect; stitched lap seams; side pockets; some in strapped effect; some lined throughout, others half lined.

The Coats specially priced at \$10 are lined with guaranteed satin. Some models in plain effects, others with strapped sleeves and turn-back cuffs.

The Coats of either lot are better values than have been heretofore offered at the price, and are not to be equalled in Washington for so little.

Open Until 9 O'clock Tomorrow Night. 13 Hours for Shopping.

Easter is but 7 shopping days away, and you should, in justice to yourself, make good use of tomorrow's buying hours. There will be a rush all next week. Weather has been bad and many like yourself who have postponed buying will be wanting things in a hurry. Even a great store like this has a limit to its capacity for work—you'll be better satisfied with the things you buy leisurely.

We Shall Place on Sale Tomorrow

290 TAILORED SUITS

For Women and Misses' Easter Wear.

In a Large Variety of Styles and Materials.

All Actual \$18.50, \$19.75 and \$22.50 Values.

These suits are all the latest styles, embracing a variety of plain blue, black and brown materials, such as Cheviots, Panama cloths and smooth cloths and Novelty mixtures. There are Etons with or without top capes. There are pretty new blouse effects. There are short, nobby military jacket effects. There are stylish fly-front jacket suits. The jackets are trimmed with bands of satin, piped, tailor stitched, or with combination braid and button trimming. All have the latest style full sleeves, and many have turn-back cuffs. SKIRTS in every instance are cut in the best full flare style; most of them fitted, and all are trimmed to match jackets.

\$15.00
— EACH. —

This offering is of great timely interest to the woman or miss who wishes to be stylishly gowned for Easter and thereafter.

The bad weather of the last few weeks is responsible for the opportunity. One of New York's largest manufacturers had so many cancellations from retailers that to protect himself concluded to offer all the suits he had cut and made up at a sacrifice—prices far below those at which the orders for the suits were taken.

We got 200 of them, and offering the same saving secured by us can while these last save buyers here \$2.50 to \$7 on a suit.
